Dear Sir:

I wish to urge non-adoption of PR Docket Number 92-235. This proposed realignment of FM frequencies would be prohibitively expensive to small businesses, such as ours, in requiring new truck and base station equipment.

Would you respond to my letter, please?

Sincerely,

A handwritten signature in dark ink, appearing to read 'Mrs. H R Roeshink'. The signature is fluid and cursive, with a large initial 'M' or 'R' at the start.
